The Library, Postgraduate Institute of Medicine serves the information needs of Medical professionals by providing resources available both within and outside the library. It is our aim to develop the PGIM library into a dynamic information hub to our readers. In keeping up this trend PGIM Library has introduced more digital and online resources. We have established three library facility centres in Jaffna, Anuradhapura and Kurunegala in order to facilitate the library services to medical professionals islandwide.

Through this library News we hope to keep you informed of new developments taking place in the PGIM Library and to encourage and develop a constructive dialogue between the library and its users with a view to fulfil your information needs more efficiently.
