Article Request Service

An online article request system has been set up, and is now accessible from the PGIM Library website. Using this system, requests can be made for a specific journal article, which will then be downloaded and emailed back as a PDF.

PG trainers and PG trainees can obtain Journal articles by sending their request through Article.request@pgim.cmb.ac.lk. Application for requesting articles is available at the PGIM website.

The screenshot shows a web browser window displaying the 'Article Request Form' page. The browser's address bar shows the URL pgim.cmb.ac.lk/library/?page_id=441#. The page content includes:

- Article Request Form**
- The PGIM Library provides a service where the full text of papers subscribed to or available in the PGIM library can be requested online. This is a free service for educational purposes only, with copyright limitations. Please submit your requests using the online form given below. We aim to respond within one working day. If the requested article is not available in the library, we will make every attempt to obtain the article from other libraries or sources.
- * අත්‍යවශ්‍යයි**
- Name ***
- Email ***
- Article Details**
Author/s, Title of Paper, year, Volume, page Nos (You may request up to 10 papers at a time)

On the right side of the page, there is a box for 'Pgim Library' with the following contact information:

- Pgim Library**
